## iMOVE

Performance

**UTQG:** W-Rated 340 A A

V/H-Rated 420 A A

T-Rated 460 A B

- Performance design and enhanced tread compound provide excellent braking and year-round traction.
- Continuous center rib provides constant road contact to enhance straight-line handling and dry road response.
- Non-aromatic oil compound reduces carbon footprint.
- Asymmetric tread design enhances traction and handling in wet and dry conditions.

## iMOVE SUV

SUV/Sport Truck

**UTQG:** 420 A A

- Asymmetric tread design delivers optimal handling in wet and dry conditions.
- Enhanced tread compound promotes excellent grip.
- Four wide, deep grooves for efficient water evacuation.
- Tread block design enhances stability and ride comfort.
- Non-aromatic oil compound reduces carbon footprint.

## RADIAL A/P

SUV/Light Truck

**UTQG:** 400 A B (SUV sizes)

- Attractive 5-rib, all-season tread pattern for optimum handling and long mileage.
- Computer-aided harmonic tread block placement ensures a quiet, comfortable ride.
- Durable multi-ply body and deep tread tolerate tough conditions.
- Hybrid tread design with large, staggered lugs guarantees traction on any surface.
- Heavy siping creates hundreds of biting edges for maximum grip in all weather conditions.

## RB-12

Touring

**UTQG:** 440 A B

- Symmetric, five-rib tread design creates larger footprint for stability and performance.
- Slotted shoulders, moderate siping and wide grooves enhance water evacuation and help to prevent hydroplaning.
- Variable tread design reduces road noise and delivers ride comfort.
- Enhanced base tread compound promotes excellent durability and traction.

## RB-SUV & RB-LT

SUV/Light Truck

**UTQG:** 460 A B (RB-SUV)

- Highway touring design delivers extended mileage.
- Tread design and placement of tread elements reduce noise and enhance overall ride comfort.
- Wide circumferential grooves ensure excellent water evacuation while lateral grooves optimize braking performance.
- Shoulder design enhances cornering performance and stability at higher speeds.
- Solid center rib promotes straight-line stability.

## ALL COUNTRY A/T

SUV/Light Truck

**UTQG:** 460 A B (SUV sizes)

- Large tread blocks and deep grooves ensure superb off-road traction.
- Wide angled lateral grooves and void ratio enhance mud, water, and snow evacuation for all-surface traction performance.
- Buttress design enhances traction in muddy conditions and guards against puncture.
- Tread compound adds longevity and promotes enhanced wet traction.

## TOURING PRO

Touring

**UTQG:** 440 A B

- All-season tread design delivers dependable traction performance.
- Radial ply construction provides ride comfort and improves handling.
- Vintage appeal blends with updated design for a modern classic.
- Complete offering available in whitewall 70/75 series.

All Ironman passenger and light truck tires offer all-season performance and are M+S rated.
